March 2024

Greetings!

We invite you to be part of PeerFest 2024 being held on May 30. PeerFest, is an event to celebrate the journey of recovery for many individuals who deal with mental illness and/or substance use disorder. This event is a way to celebrate hope, which gives peers the determination and self confidence that empowers them to reach their goals. The Community partners sponsoring this event include:

Safe Harbor Peer Support Services

Delaware County Sheriff Dept.

Southeast healthcare

Stockhands Horses for Healing

DMMHRB

Equine Therapy is one of the many ways that an individual can use as a tool on their journey for recovery. Interacting with horses can lead people to find confidence, peace, control, a mental and emotional calm, energy, understanding, purpose, pride and all things that can be forgotten when dealing with a mental, physical, or emotional disability or challenge.

This would be a wonderful opportunity for your organization to have some visibility in front on an audience who could benefit and value from joining your company or organization in various employment or community related opportunities.

Registration is \$50.00 for a for-profit organization table (*Free* for non-profit organizations). Fee includes: table, 2 chairs, listing on event directory. The listing will be shared with each peer attending in which they will be encouraged to stop and visit each table during the event. As an incentive, we ask our vendors to provide some type of door prize or gift basket at their table that peers can sign up for after inquiring about your company or organization. Attached is a sign up form for the event. Please review and let us know if you are able to participate. We look forward to your support of PeerFest 2024! For questions, please feel free to contact Safe Harbor Peer Support Services at 740-363-1619.
